O R D E R :

In the reference read above, the Engineer-in-Chief (Public Health), Hyderabad has sent proposal for preparation of panel of Deputy Executive Engineers (PH) for promotion to the category of Executive Engineer (PH) for the panel year 2007-2008. As per Rule 6 of A.P.P.H. & M.E. Service Rules, a person should have put in a minimum service of (5) years as Deputy Executive Engineer for considering promotion to the category of Executive Engineer. However, in the seniority list furnished by the Engineer-in-Service (PH), out of 158 Deputy Executive Engineers, only 38 DyEEs have put in a minimum service of 5 years. Keeping in view the vacancy position of Executive Engineers to be filled up and adhoc rule having common application issued in the G.O. 2nd read above, Government consider it appropriate that the condition of minimum service of (5) years be relaxed in favour remaining (120) Deputy Executive Engineers for making them eligible and placing the matter before the D.P.C. for preparation of panel of Deputy Executive Engineer (PH) for promotion to the post of Executive Engineer (PH) for the panel year 2007-2008.

2. Government, therefore by invoking Rule 10 (a) of A.P. State and Subordinate Service Rules, 1996, hereby relax the condition of a minimum service of (5) years in favour of (120) Deputy Executive Engineers who are in the zone of consideration as mentioned in the Annexure during the panel year 2007-2008 so as to place the matter before the D.P.C. for consideration.
